Subpart C—Bank Operations**§ 7.3000 Bank hours and closings.**

(a) *Bank hours.* A national bank's board of directors should review its banking hours, and, independently of any other bank, take appropriate action to establish a schedule of banking hours.

(b) *Emergency closings.* Pursuant to 12 U.S.C. 95(b)(1), the Comptroller of the Currency (Comptroller), a state, or a legally authorized state official may declare a day a legal holiday if emergency conditions exist. That day is a legal holiday for national banks or their offices in the affected geographic area (*i.e.*, throughout the country, in a state, or in part of a state). Emergency conditions include natural disasters and civil and municipal emergencies (*e.g.*, severe flooding, or a power emergency declared by a local power company or government requesting that businesses in the affected area close). The Comptroller issues a proclamation authorizing the emergency closing in accordance with 12 U.S.C. 95 at the time of the emergency condition, or soon thereafter. When the Comptroller, a state, or a legally authorized state official declares a day to be a legal holiday due to emergency conditions, a national bank may choose to remain open or to close any of its banking offices in the affected geographic area.

(c) *Ceremonial closings.* A state or a legally authorized state official may de-

clare a day a legal holiday for ceremonial reasons. When a state or a legally authorized state official declares a day to be a legal holiday for ceremonial reasons, a national bank may choose to remain open or to close.

(d) *Liability.* A national bank should assure that all liabilities or other obligations under the applicable law due to the bank's closing are satisfied.

(1) The other business is conspicuously, accurately, and separately identified;

(2) Shared employees clearly and fully disclose the nature of their agency relationship to customers of the bank and of the other businesses so that customers will know the identity of the bank or business that is providing the product or service;

(3) The arrangement does not constitute a joint venture or partnership with the other business under applicable state law;

(4) All aspects of the relationship between the bank and the other business are conducted at arm's length, unless a special arrangement is warranted because the other business is a subsidiary of the bank;
